

# HIGH BLOOD PRESSURE FOUNDATION

FRIDAY 19 NOVEMBER 2010

THE CALEDONIAN HOTEL

EDINBURGH

CELEBRATING 20 YEARS

Dedicated to improving  
understanding,  
assessment, treatment and  
public awareness of high  
blood pressure.

HEART & SOUL BALL

This is a special year in the life of the High Blood Pressure Foundation: our twentieth anniversary.

The Heart and Soul Ball presents a great opportunity to get together with friends or colleagues to enjoy a fun-filled evening – while helping the High Blood Pressure Foundation to raise vital funds.

‘Another season, another reason for makin’ whoopee.’

Dress: Black Tie

One in three adults in the UK has high blood pressure – and half of those people are unaware of their increased risk of heart attack and stroke.

## Our Vision

We aim to improve the basic understanding, assessment, treatment and public awareness of high blood pressure. We provide vital equipment and carry out fundamental research into the causes of high blood pressure so that it can either be prevented or treated more effectively.
